**TREASURER: \*\*Please see attached report from the Treasurer.**

**RCM:** Hello Everyone, First off last month a group from this area I forget who, sorry wanted information about paper signing at meetings. I contacted world about this and it is addressed in bulletin 31. I included the applicable excerpt in my report that that was emailed to me from world. The rationale for our thinking is: If a group were to report on members' attendance, their behavior, whether they stay for the whole meeting, their participation or lack thereof, or report somehow on the nature of their recovery, we might say that the line between cooperation and affiliation had been crossed. But when, at the request of people attending our meeting, we simply provide verification of their attendance without any consideration of why they are requesting that verification, we believe that is a reasonable approach that doesn't endorse or affiliate with the requesting agency. The entire bulletin can be found at [na.org/bulletins/bull31](http://na.org/bulletins/bull31) if I can find this stuff with my google machine you should be able to too. The next region will be hosted by the Central Jersey Area Saturday January 18th, 2014 @ 1pm Luther Church of Reformation 922 Broadway (corner of Locust Ave) West Long Branch, NJ 07764 for more info or directions you can go to [nanj.org](http://nanj.org) Also Region will be hosting their 2nd CAR workshop starting at 11am at the same location. Please come out and get some information on the CAR so our voice can be heard in what direction our fellowship takes. The open regional positions for January are: I attended the first CAR workshop hosted by region on Dec. 14th it was very informative and I will pass this information on to you at workshop that we hold for you guys. By our policy I need to hold one workshop. I'm gonna ask the body when they would prefer to have this done or if there is interest in doing more than one. This CAR consists of 6 motions. 3 of those involve or need the CAT to really discuss which isn't available till Jan. 27th. There is also 4 regional proposals to go over and vote on. I need all the groups votes on CAR motions and proposals at our March area service. I will take them to region in March. So the RD and RDA can take our voice to WSC in April. I will also be attending MARLCNA February 7,8,9 held at 2300 Lincoln Hwy East, Lancaster PA. come on out. There will be additional information there about the CAR. I recommend holding our workshop feb 16th. Which is a Sunday at this time or earlier. I will have most of the information about CAR then. I will check the availability of this building on that date and get you a time. If there is any interest in doing another workshop before then. I would be more than willing to do that if the body would like. I

strongly suggest the GSR's to download the CAR free from the na.org website. Go to periodicals from there and you should be able to find it. They supply a user name and password so this can be done.
