Naws Bulletin #29.....15 - 16

Introduction

The South Jersey Area H&I Subcommittee is responsible to carry the NA message of recovery into hospitals and institutions where an open meeting is not possible, due to their rules and regulations that conflict with our traditions. This committee may use other methods, such as distribution of literature and meeting list to make the message of recovery available.

The area H&I subcommittee plays a central role in the overall H&I service effort. It initiates, coordinates and conducts all local NA hospitals and institutions meetings and activities within the area. This subcommittee is the hub of H&I planning and organization.

The area H&I committee is a subcommittee of the area service committee (ASC.) It meets regularly on the third Sunday of each month at 6:00 pm at St. Charles Borromeo, 176 Stagecoach Road, Sicklerville, NJ 08081. (*Except for holidays that fall on that specific Sunday, such as Mother's Day, Father's Day and Easter in which the meeting will be held on the fourth Sunday of that month), and its chair reports to and is accountable in all matters to the ASC. The subcommittee is composed of an H&I Chairperson, H&I Vice Chairperson, H&I Secretary, Literature Coordinator and other elected officers, as well as any other members of the fellowship who wish to be involved.

Purpose

The Purpose of an H&I subcommittee is to carry the NA message of recovery to addicts who do not have full access to regular Narcotics Anonymous meetings. H&I panels, except for those in longer-term facilities, are intended to simply introduce those attending to some of the basics of the NA Program.

1. Provides a monthly forum to pool experiences.
2. To effectively carry the NA message to the inmates, patients and residents, we must be aware of the regulations of the institutions in which we are serving.
3. Prepares H&I policies and guidelines for the H&I subcommittee's and the SJASC's approval.
4. Serves as a communications link between local H&I meetings/ presentations and H&I subcommittees at the regional and world levels.
5. Selects the members who are to conduct the H&I meetings.
6. Serves as a distribution point for literature for the meetings and reports

- these transactions to the ASC.
7. H&I makes all initial contact with facilities.
 8. Conducts learning days, workshops, and orientations on relevant topics.
 9. Is responsible for all H&I-oriented services within the area.

Committee Structure

Elected Committee Officers:

1. The H&I subcommittee will consist of a Chairperson, Vice Chairperson, Secretary, Literature Coordinator and Committee members.
2. All trusted servant elections for H&I will be held at the October sub-committee meeting.
3. All H&I Subcommittee officers, with the exception of the Chairperson, are to be elected by 51% of voting members in attendance. The South Jersey H & I Subcommittee will nominate a Chairperson from our committee during elections and our current Chairperson will bring the selected nominee name to SJASC. Our current Chairperson will then nominate that person selected at SJASC elections. The Chairperson will then be elected by the SJASC in regular session.

Voting Members:

1. The voting members of the SJASC H&I Subcommittee will be the Vice-Chairperson, Secretary, Literature Distributor and committee members. (*The SJASC H&I Subcommittee Chairperson will vote only in the event of a tie vote and only to break the tie.)

Participation:

Only selected members who are to conduct H&I presentations may make or second a motion or speak to a pro or con to a motion during the H & I Sub-committee meeting. Any interested party, however, at the invitation of the SJASC H&I Subcommittee Chairperson, may address the committee.

Voting Procedures

1. Voting Members are described above (under Voting Members #1).
2. For the purposes of voting on motions made within this committee and for motions passed down from the SJASC, Region or World a simple majority of YES votes by voting members in attendance will pass the motion.
3. Abstentions carry no weight.
4. For the purpose of electing officers, 51% of voting members in attendance

is needed.

8. In the event that they are unable to fulfill their monthly commitment, it is their responsibility to: 1. Make sure the commitment is covered by another H & I subcommittee member. 2. Or, contact the SJASC H&I Subcommittee Chair far enough in advance to permit the Chair to make other arrangements to cover their commitment. If the member does not do one of these two things and does not show up for their commitment twice in a calendar year, the commitment is forfeited and they will not be permitted to serve for the remainder of the year.
9. Attends the H&I Subcommittee each month and gives an oral report of the

ongoing activity at the facility. (If 2 consecutive H&I Subcommittee meetings are missed, the commitment is forfeited.)

10. If unable to attend a subcommittee meeting, the committee member is responsible for calling the chair and giving the monthly report over the phone.
(* If necessary, may be removed by a 51% vote by voting members in attendance.)

Guest Speaker:

Qualifications:

1. Minimum clean time 6 months required. (* Clean time is to be recognized as stated in NAWS Bulletin #29. - see Pages 14- 15.)
2. Must have an NA sponsor and a NA home group.

4. Must have the willingness to serve.
5. Must be off all drug replacement therapies.

Responsibilities:

1. Share his or her experience, strength and hope at the H&I meeting to carry a clear NA message of recovery.
2. To communicate in the language of recovery. H&I meeting/presentation provide the first exposure to recovery in NA for many addicts, so it is imperative we carry a clear and consistent message of Narcotics Anonymous recovery and project a positive image of our fellowship.

General Information

1. All H&I presentation commitments will be held by a committee member for 1 calendar year, February to January.
2. H&I Subcommittee have committee members chair H&I presentation meetings in institution and hospitals.
3. H&I presentations in hospitals/institutions are closed to **ALL** outside attendance.
3. The H&I committee is responsible to assure that if a new institution/hospital commitment is started, there be support available to maintain the presentation.
5. H&I sub-committee will make available in the SJASC monthly minutes all open H&I commitments. The following information should be included: name/location of the facility, the day of the week, week of the commitment, time of the meeting, date it becomes available, and any requirements for the commitment.
6. Literature for H&I subcommittee presentations will be donated by the

SJASC. (We currently have a monthly budget of up to \$300 allotted for NA approved literature to bring into facilities to further carry our primary purpose to the still sick and suffering addict.)

7. H&I Subcommittee is required to make use of all its allotted funds each month. We do not have the ability to carry funds forward to future months.
8. Literature for the H&I subcommittee presentations will be distributed at the monthly H&I subcommittee meeting.
9. The H&I Subcommittee may use the Greater Philadelphia Regional Service office to purchase their own monthly allowance of literature as stated above.
10. Specific holidays that fall on the third Sunday of the month, **Easter** (April), **Mother's Day** (May), and **Father's Day** (June), H&I will hold the subcommittee meeting the fourth Sunday of that month.
11. Excessive use of profanity or the use of vulgar stories in your sharing is strongly discouraged by the H&I subcommittee.

Commitment to the Language of Recovery

Commitment to the language of recovery in our meetings is also an important issue. In order to remain consistent with our traditions and to insure that the message we carry is clear, consistent message of recovery in NA; we refer to ourselves simply as "addicts", not "drug addicts", not addicts and alcoholics", not "junkies", not "dope fiends"" just as ADDICTS. We refer to our time in the program as "clean", "clean time", or "recovery"; not "sobriety", not "clean and sober"; just CLEAN, CLEAN TIME AND RECOVER. A mixed message is a confusing message. If this is something that you feel you can not do, then maybe you are not suited for H & I service in Narcotics Anonymous.

Yearly Reallocation of H & I Sub-Committee Commitments

1. All commitments are reallocated each January.
2. Each commitment is a yearly commitment. Commitments are assigned at the January subcommittee meeting and end at the following January subcommittee meeting.
3. If a committee member has had a commitment assigned at the July subcommittee meeting or afterward, they are permitted to keep that commitment. They must be present at the yearly reallocation meeting or contact the H&I Chairperson in order to keep that commitment.
4. The following is the order in which commitments are reallocated:

- A. Current subcommittee members who have had a commitment, assigned at the June subcommittee meeting or before, and have fulfilled it successfully.
 - B. Members who do not currently have a commitment or have had a commitment since July or afterwards and have chosen not to continue it.
5. Within the above guidelines, commitments are allocated in order of clean time, beginning with the addict with the most clean time. Members in Group A and Group B must be present at the yearly reallocation in order to be assigned a commitment.

South Jersey Agenda for H&I Subcommittee Meeting

1. Moment of silence for the still-suffering addict.
2. Opening prayer.
3. Read traditions / readings.
4. Take attendance / committee members give reports.
5. Read and approve the minutes of the previous meeting.
6. Report of budget expenditures, including literature disbursements.
7. Old business.
8. Elect officers. (if appropriate)
9. New business.
10. Closing prayer.

H&I Learning Day / Workshop

1. The purpose of an H&I learning day is to educate the members of the fellowship about Hospitals & Institutions work. Learning days are one way to prepare the NA member to carry the message to addicts who do not have full access to regular NA meetings. We have learning days so that we may benefit from the collective experience of other NA members.
2. Learning day are held to better educate NA members who will gain a better understanding of H&I procedures. It is also a forum to keep H&I members informed of updated H&I materials, projects, and to generate interest in H&I work other than panel presentations.
3. Learning days provide our new members the opportunity to understand H&I work as a vital and positive part of their recovery. H&I is where many members found hope and usefulness in the fellowship. At these types of events, we have the opportunity to pass that hope on to others.
4. It is the responsibility of the SJ Area H&I Subcommittee to conduct at least one learning day/workshop per year to educate members about H&I.

5. When scheduling a learning day/workshop be sure that the function is not scheduled at the same time as other local events, so that as many member of the local fellowship as possible can take part.
6. When conducting a workshop, a flyer should be created to inform the local fellowship and other H&I subcommittees outside of the area/region.
7. Choose qualified members to speak and/or to lead discussions and question and answer sessions.
8. Consult "Hospitals and Institutions: Handbook" pages 68-69 for list of discussion topics

H & I Annual Learning Day / Workshop Agenda

1. Start the meeting with a moment of silence followed by the serenity prayer.
2. Read the Twelve Traditions.
3. Chairperson's opening remarks.
 - a. Topics to be discussed.
 - b. Local concerns of the H&I subcommittee.
 - c. Introduce speakers.
4. Question and answer session, or after each topic.
5. Close with the third step prayer.

Depending on the time allowed or the number of topics to be covered, you may wish to break the day into several sections.

H & I MEETING PRESENTATION FORMAT

The following is a general format for an H & I meeting presentation. It is presented here for those seeking some direction. REMEMBER IT IS OUR RESPONSIBILITY TO MAINTAIN AN ATMOSPHERE OF RECOVERY.

- A. Introduce yourself and welcome everyone to the meeting.
- B. Have a moment of silence followed by the serenity prayer.
- C. Invite all attending to give their first names.
- D. Briefly explain that this is a hospitals and institutions presentation. Because resident's access to outside meeting is limited, the area service H & I subcommittee brings this special meeting here.
- E. At this time would someone read "Who Is An Addict", "What Is The Narcotics Anonymous Program", "How It Works", and "Why Are We Here".
- F. **READ:** "After the speakers have finished, there will be time for any questions. We ask that there is no cross-discussion while anyone is sharing and that you please hold your questions until the end of the meeting."

READ: “In a speaker meeting, one or more N.A. members share their experience, strength and hope. That tends to lay out some basic symptoms and characteristics of the disease and shows how N.A. has brought about recovery. A narrative of events accomplishes little, but sharing of feelings, self-image, turning points, new awarenesses, etc. carries a powerful message of recovery and the fact that our disease is progressive, incurable, and fatal.”

G. Introduce speaker.

H. Make any N.A. announcements that are pertinent (i.e. there is literature available speakers are available to talk after the presentation).

I. **SUGGESTIONS:**

- | | |
|------------------------------------|-------------------------------|
| 1. Avoid people places and things. | 5. Get a home group. |
| 2. Come early and stay late. | 6. Keep coming back it works. |
| 3. Don't use and go to a meeting. | 7. 90 meetings in 90 days. |
| 4. Get and use a sponsor. | 8. Use the phone. |

J. **CLOSE WITH THE SERENITY PRAYER.**

**Information on Starting New Commitments in
New Facilities or Existing Facilities.**

1. The initial approach to start a new H & I meeting/presentation should be made through an H&I subcommittee. Don't ever act alone.
2. H&I meeting/presentations are held in facilities where addicts do not have full access to regular Narcotics Anonymous meetings.
3. When the local members of groups see the need for an H&I presentation at a facility, the local H&I subcommittee should be contacted. H&I panels are a function of the H&I subcommittee. Individuals should not take it upon themselves to do H&I work in facilities that South Jersey Area H&I Committee don't serve.
4. One important factor is the degree to which the residents are restricted from outside meetings. Addicts who have full access to regular NA meetings usually do not require H&I services. If they are completely restricted from outside meeting attendance they should be high on the priority list.
5. Another factor is the length of time that a facility has been waiting for the subcommittee to bring in an H&I meeting/presentation.
6. After considering these and other factors, the decision is up to the subcommittee.
7. The Subcommittee should not make a commitment to start an H&I meeting until it is capable of being responsible to that commitment.

8. If the subcommittee sees the need for H&I in a facility that isn't currently being served, the H&I Chairperson should send out letters to facilities introducing them to NA and offering to hold and an H&I meeting / presentation in their facility. It is advisable to have it printed on letterhead stationery and be a typewritten formal letter, with examples of NA literature enclosed. (Have Secretary keep copies on file of all letters sent.)
9. The next step is to find out who is the appropriate administrative person to contact. All calls or letters of inquiry should be addressed to that person.
10. If facility is interested in an H&I meeting/presentation, you should then schedule and interview before the first H&I presentation, to make arrangements and in person the proper procedures and expectations.
11. Once these steps have been taken, and the H&I meeting/presentation is being held regularly in the facility, it is important to keep an open channel of communication between the facilities and South Jersey Area H&I Subcommittee.
12. Make sure the group is ready for the responsibility. Don't be afraid to say "No, we're just not able to support a meeting in your facility at this time." Don't take on additional commitments until we are ready.

13. If you find that you have over-committed yourselves, go to the facility and let them know that you need to discontinue the meeting for a while. They will respect you more for letting them know face to face than if you just stop showing up.
14. When a facility approaches the H&I subcommittee and asks us to bring an H&I presentation into their facility, it needs to be brought before the H&I subcommittee, discussed, and then voted on. The group conscious of the subcommittee members will make the right decision.

WORLD SERVICE BOARD OF TRUSTEES BULLETIN #29

Regarding Methadone and Other Drug Replacement Programs

This bulletin was written by the World Service Board of Trustees in 1996. It represents the views of the board at the time of writing.

Not all of us come to our first NA meeting drug free. Some of us were uncertain about whether recovery was possible for us and initially came to meetings while still using.

Others came to their first meetings on drug replacement programs such as methadone and found it frightening to consider becoming abstinent.

One of the first things we heard was that NA is a program of complete abstinence and "The only requirement for membership is the desire to stop using." Some of us, upon hearing these statements, may have felt that we were not welcome at NA meetings until we were clean. But NA members reassured us that this was not the case and we were encouraged to "keep coming back." We were told that through listening to the experience, strength, and hope of other recovering addicts that we too could find freedom from active addiction if we did what they did.

Many of our members, however, have expressed concern about individuals on drug replacement programs. Questions come up regarding such individuals' membership status, ability to share at meetings, lead meetings, or become trusted servants on any level. "Are these members clean?" they ask. "Can one really be a 'member' and still be using?"

Perhaps by answering the most important question first—the issue of membership—we can establish a context by which to approach this issue. Tradition Three says that the only requirement for NA membership is a desire to stop using. There are no exceptions to this. Desire itself establishes membership; nothing else matters, not even abstinence. It is up to the individual, no one else, to determine membership. Therefore, someone who is using and who has a desire to stop using, can be a member of NA.

Members on drug replacement programs such as methadone are encouraged to attend NA meetings. But, this raises the question: "Does NA have the right to limit member's participation in meetings?" We believe so. While some groups choose to allow such members to share, it is also a common practice for NA groups to encourage these members (or any other addict who is still using), to participate only by listening and by talking with members after the meeting or during the break. This is not meant to alienate or embarrass; this is meant only to preserve an atmosphere of recovery in our meetings.

Our Fifth Tradition defines our groups' purpose: to carry the message that any addict can stop using and find a new way to live. We carry that message at our recovery meetings, where those who have some experience with NA recovery can share about it, and those who need to hear about NA recovery can listen. When an individual under the influence of a drug attempts to speak on recovery in Narcotics Anonymous, it is our experience that a mixed, or confused message may be given to a newcomer (or any member, for that matter) for this reason, many groups believe it is inappropriate for these members to share at meetings of Narcotics Anonymous.

It may be argued that a group's autonomy, as described in our Fourth Tradition, allows them to decide who may share at their meetings. However, while this is true, we believe that group autonomy does not justify allowing someone who is using to lead a meeting, be a speaker, or serve as a trusted servant. Group autonomy stands only until it affects other groups or NA as a whole. We believe it affects other groups and NA as a whole when we allow members who are not clean to be a speaker, chair a meeting, or be a trusted servant for NA.

Many groups have developed guidelines to ensure that an atmosphere of recovery is maintained in their meetings. The following points are usually included:

- Suggesting that those who have used any drug within the last twenty-four hours refrain from sharing, but encouraging them to get together with members during the break or after the meeting.
- Abiding by our fellowships suggested clean time requirements for service positions.
- Seeking meeting leaders, chairpersons, or speakers who help further our primary purpose of carrying the message to the addict who still suffers.

We make a distinction between drugs used by drug replacement programs and other prescribed drugs because such drugs are prescribed specifically as addiction treatment. Our program approaches recovery from addiction through abstinence, cautioning against the substitution of one drug for another. That's our program; it's what we offer the addict who still suffers. However, we have absolutely no opinion on methadone maintenance or any other program aimed at treating addiction. Our only purpose in addressing drug replacement and its use by our members is to define abstinence for ourselves.

Our fellowship must be mindful of what kind of message we are carrying if a still-using addict leads a meeting, or becomes a trusted servant. We believe that under these circumstances we would not be carrying the Narcotics Anonymous message of recovery. Permissiveness in this area is not consistent with our traditions. We believe our position on this issue reinforces our recovery, protects our meetings, and supports addicts in striving for total abstinence.

Note: This bulletin addresses the use of methadone maintenance as a drug replacement strategy. It is not addressing the medicinal use of methadone as a pain killer. We encourage those who have concerns about the use of methadone in pain management to refer to Narcotics Anonymous pamphlet, "In Times of Illness".
