Can I come for the Day or for the Meeting only? Of course. The meetings are always free, Park entrance fees are waived after labor day. The committee has no control over fire restrictions, the beach swimming rules and conditions, The weather, or the price of cheese in Switzerland.

Can I Camp in my Car??? (*Yes you Can!*) please remember that vehicle spots on the campsites are limited so you are encouraged to register early!

Can I bring Colleen Camp in my Car?? (*That's up to her*) **Can I bring my mom's car?** So long as you have permission, Yes.

Can I build a fire or use a stove to cook? Small portable propane camp stoves and charcoal grills are allowed. Campfires or any open flames are restricted to the group site fire pits only. Fire restrictions are at the parks discretion and are subjected to forest conditions.

Where is the closest store? *Tuckerton ACME is 5 miles from the campsite. 425 Route 9 (open 24 hours) Walmart and Wawa also a short driving distance from the park just off route 9 in Tuckerton.*

Where is the furthest Store? BP Connect service station on Brisbane Street and Thomas Avenue, East Perth, Australia **Will there be electrical outlets to charge my cell phone?** Electric Generators will be on the sites and used for cooking and other community purposes. Electrical outlets are located at the bath and laundry location (we suggest you bring a car charger) **Are there showers and bathrooms?** There are out houses on each group site. If that is not your thing, Flushable toilets with TP, Sinks, and showers are located a short distance away.

If I am not camping, where do I park? Day trippers are encouraged to park at the beach. It is a short walk to the campsites through Batona Trail. Handicapped exceptions will be made.

Where can my mom drop me off? Same place. No judgements here.

Can I Bring Instruments and play at the campground? Only Acoustic instruments (Guitars, Bongos, Etc.) will be permitted at the campground and not during quiet time. If we allow everyone who asks to bring amplifiers it would be a free for all out there, and not fair to fellow campers who don't want to hear your reggae cover of "everlong"

In Space, Can anyone hear you scream? No, but other campers can hear you in the forest so remember to respect the campground, the rules, and quiet times. It's a group event so be neighborly, respectful, open minded, and most importantly, have fun! This is a great opportunity to show our growth in recovery.

Will there be a quiet camping area? A designated area will be assigned for quiet camping so, if you are one of those people who want to play guitar and spades into the night with your buddies by the fire, the site where the food and meetings happen is the place for you. Please respect our quiet camping area and times (10pm to 8am)

I want a T-shirt. How do I get one? T-shirts are included in the registration portion. They are \$15 each. That's the best way to get one. Whatever is left will be sold on site at the event first come first served. We strongly suggest you include T-shirt cost with your registration so we can pre-order the correct sizes.

Images are displayed on the tear off portion. We recommend you secure your t-shirt when you register. There is a limited supply and they will sell fast.

Remember to preserve our woodlands and leave our camping area looking better than we found it. We want to be welcomed back.
