WEB CHAIR:

SJASC Website Report April 2019

I am on vacation so I have asked Paul to read my report:

- I meet with Mike G – Meeting List Chair- to discuss how we can best work with each other to ensure that the information on the printed meeting list is both correct and matches the meeting information listed on the website. We reviewed the information on both lists and confirmed that most of the information is correct. Appropriate changes will be made to the website meetings by the end of April
- I will be working with a few members who agreed to help me review our meeting info as it appears in NAWS and Regional mobile apps. Both these apps use the BMLT platform for pulling meeting information. Changes will be made to the BMLT information so that all meeting information is consistent across platforms
- I continue to work with the Regional website liaison on creating a test site for a revamped webpage that will be capable of using the BMLT platform
- I will be attending the Regional website committee meeting on April 27th

I would like to apologize to the ASC for my failure to update the website after our last meeting. I had a hectic month dealing with "life on life's terms". I am on a much-needed vacation and I am committed to getting back on track upon my return. Thank you for your understanding.

In loving service, Debbie

POLICY:

Policy Chair Report for April 2019

Good afternoon family. I apologize for not being here last month I had an obligation to fulfill for another organization. I have sent a copy of the policy to the web chair that contains a change to the revision date on the cover. I have not revised the policy to reflect any changes made at last months meeting. If there are changes to be made, I will make them as soon as time permits and submit them to the web chair so they can be posted on the web site. Thank you for allowing me to serve.

Tom V.

LITERATURE REVIEW CHAIRPERSON:

An election was held for this position and the position filled.

MEETING LISTS:

- Went to print for 5000 Spring 2019 meeting lists at Paulsboro Printers totaling \$608.
- Met with Debbie B Website Chair to compare and coordinate differences between the area meeting lists and website meeting information to prepare to use the BMLT. This will help keep the meeting list information consistent throughout NAWS, Region, and our South Jersey Area. In turn, the SJ area will be able to pull from the area meeting list.
- I will be reviewing the meeting list chair policy updates over the next month and will be working on bringing policy updates to area allowing for the implementation of BMLT.

Thanks for allowing me to serve, Michael G.
