Policy Subcommittee Report

May 4, 2008

Hi fellow addicts.

Not much to report this month since only one minor change to Policy was approved last month. I will update the SJASC Policy to reflect all recent changes to the Policy following this month's ASC. I continue to update the "SJASC Motions" tracking log that I've maintained to provide future Policy Chairs with an ongoing record of the outcome of all motions brought before the body. Any time I revise any Policy as approved by ASC, the revised policies will be forwarded to the Website Committee so the most current versions of these policies can be posted on our website.

I also maintain updated electronic and hard copies so let me know if you or your homegroup would like a copy and don't have access to the internet and a printer.

I continue to be truly grateful for the trust that you have shown me by allowing me to serve our Area for another year - each and every one of you help me get another day clean. Thanks.

Suzanne H.

To the Area Body,

At this time the world organization has no projects in the works. Last month I met with the regional chair, Mickey, in Mays Landing to discuss the proposed regional project, "Understanding The Twelve Traditions of Narcotics Anonymous". I will keep this body informed as we progress.

Thank you for allowing me to serve.

Hello all!

Due to Mother's Day moving back area service, I forgot to order the literature early and we do not have basic texts once again. I apologize because this is my forgetfulness. Every group that has ordered a basic text will get at least one this month. All IOU's will be re-written and given out again this month. Thank you for your time
